## EDUCATION

**ABES ENGINEERING COLLEGE**, Abdul Kalam Technical University  
Third Year, B. Tech Computer Science And Engineering

October 2021 - Expected July 2025

## WORK EXPERIENCE

I had the honor of serving as a Graphic designer Lead for **1 year** at Dataverse Community Abes.

## PROJECTS

**Shopify** – [TypeScript , React-Bootstrap, React-Redux]

April 2023 - May 2023

- Created a simple and interactive Shopping store where you can add items to cart or remove them from cart.
- Shopping Cart is integrated with **redux-toolkit** for simplicity of the code.

**Gadgetry Website** – [Reactjs, Firebase, MongoDB, Nodejs, Express, Stripe API]

Dec 2023 - Feb 2024

- Used Firebase for **cloud-based image storage**, seamlessly integrating with MongoDB to **store image URLs**, for efficient data handling and retrieval in the web application.
- Implemented **Firebase Authentication** for secure user sign-in **through email and Google** enhancing the website's identity management and access control features.
- Used **Redux** for end-to-end **state management**, ensuring a **centralized** and predictable state container to **streamline data flow** and enhance scalability.
- Implemented seamless payment integration gateway using **Stripe's API** for secure transactions, enhancing user experience and financial data protection.

**CrimeLocator** – [Reactjs, Mapbox,API]

Dec 2022 - Jan 2023

- Used **Search-box API** for navigating the home option in the map at the position where to buy a house.
- Used **Geocoding API** to give longitude and latitude of the area typed in the search bar.

## RELEVANT SKILLS

**Languages** HTML/CSS, C/C++, Javascript

**Frameworks** Reactjs,Tailwind, Bootstrap, Express, Nodejs

**Platforms** Linux, Window

**Tools** Firebase, Git, GitHub Actions, Postman, Mapbox,Figma

**Other Skills** Leadership, Collaboration, Public Speaking, Communication, Team Work

## AWARDS AND ACHIEVEMENTS

**Hackathons** SIH(internal) ,HackEye I-Cosmic (**Winner**)

**Others** SWOC and Hacktoberfest Contributor 2022 — **100+** questions solved on Leetcode, **200+** on CodeStudio

## VOLUNTEER EXPERIENCE

**Lead** Mentor in Swoc , Graphic Designer Lead
