EDUCATION

ABES Engineering College (Affiliated with Abdul Kalam Technical University - AKTU)
Final Year, Bachelor of Technology in Computer Science and Engineering
Courses:Operating Systems, Data Structures, Design and Analysis of Algorithms, Networking, Database Management System

Ghaziabad, India
Nov 2021 - Present

WORK EXPERIENCE

UI-UX Design Intern [Know Your Colleges (IZET Ventures Pvt Ltd), Remote]   **July 2024 – Sept 2024**
- Enhanced user satisfaction by 20% through the development of **user-friendly experiences** for EdTech and HR tech.
- Created **15+ wireframes** and prototypes, achieving a 30% reduction in development time.
- Collaborated with cross-functional teams, **improving project efficiency** by 15%.
- Achieved a performance-based stipend and received an internship certificate for exceeding project goals.

PROJECTS

ChitChat [React.js, Zustand, React-toastify, Emoji-picker-react, Firebase]   **May 2024 – June 2024**
- Engineered a **real-time chat application**, simulating a robust messaging experience to effectively demonstrate my proficiency in real-time data management using **Firebase technology** and best practices.
- Incorporated **media sharing** capabilities, enhancing engagement by 40% in simulated environments while showcasing the seamless integration of third-party libraries to improve overall user interactions and satisfaction.

Vajra [React.js, React Router]   **Dec 2023 – Feb 2024**
- Developed a **medical emergency solutions platform** as a learning project, resulting in a 30% reduction in simulated emergency response time and enhancing my proficiency in React.js.
- Streamlined **state management across five components**, improving data flow efficiency, which deepened my understanding of prop-drilling and state management techniques.

Portfolio [React.js,Email.js (email integration)]   **Sept 2023 – Oct 2023**
- Created a **fully responsive** portfolio website to effectively showcase my skills and projects, significantly improving overall user engagement during extensive testing phases and feedback sessions.
- Integrated a **dark mode feature** to enhance accessibility for users and included **Email.js** for seamless email communication, demonstrating my ability to implement user-centered design principles and enhance user experience.

SKILLS

Languages : HTML/CSS, C/C++, Javascript, Python, MySQL

Frameworks : Reactjs, Zustand, Tailwind, Bootstrap, Nodejs

Tools : Firebase, AWS, Git, GitHub Actions, Netlify, Postman, Mapbox, Figma, AdobeXD

Platforms : Linux, Windows

SoftSkills : Empathetic Listener, Team-oriented, Resilience, Design Thinking, Innovative

AWARDS AND ACHIEVEMENTS

- Secured first place among 124 teams in the Smart India Hackathon.
- Achieved 8th place out of 140 teams at Bennett University hackathon.
- Recognized as a top 10 contributor in Script Winter Of Code.

VOLUNTEER EXPERIENCE

- **Mentor, GSSOC'24:** Guided aspiring developers in open-source contributions and growth.
- **Contributor, SWOC:** Improved functionality and user experience in over 5 open-source projects.
- **Graphic Designer Lead, DataVerse:** Led design projects, creating engaging visual content and branding.
